Capacity for the upcoming academic quarter is due by the fifteenth day of that quarter (e.g. January 15th for the 3rd quarter).

- To begin, select the district and site that you wish to view/edit
- By default, this page will display the current reporting quarter
- **Note: Data entry will be available starting two weeks before the quarter begins.**
- Enter capacity numbers into the appropriate fields. **You only need to enter data for the specific grades offered at the currently selected site**
- You may click the ✕ to clear the data for a grade.
- When you finish making your updates, click "Save"
